

Meadow Goldman Yoga Therapy and Massage LLC Monthly Self Care Massage Membership

Benefits of Massage Self Care Membership:

- Commit to your self-care with a monthly massage and save money.
- Purchase an additional massage and or other service (yoga therapy session) at a 15% discount from the non member price (Additional massage will be \$75 for 60 min or \$112 for 90 min).
- You can share your package with ONE other person in your household (ie partner, child, parent etc that lives at the same address).
- Your massages will roll-over to the next month if you can't use one month (but they WILL EXPIRE 30 days after your subscription ends).
- I will be offering special discounts on gift certificates and classes to members.

Getting a massage has so many amazing benefits. From pain reduction to stress relief, improved sleep and improving your performance, massage gives you what you need. This is a fantastic opportunity if you are wanting to have regular massage as part of your self care routine.

Here's how it works:

- Your monthly membership price of \$75 will be automatically drafted from your debit or credit card each month, entitling you to a single 60 minute session each month, on or after your scheduled payment date for a term of 6 months.
- You may upgrade to a longer session for an additional charge (\$ 37 to upgrade to 90 min).
- You may purchase an additional massage at a discounted rate of \$75 for 60 minutes/\$112 for 90 minutes if you want more than one massage per month.
- **You must use your sessions by 30 days after your membership expires. If you do not use your sessions, you will loose them.**
- You can freeze your membership if you will be out of town or unavailable for a minimum of 30 days up to 3 months.
- To cancel, simply email me with 10 days notice or opt to not renew for an additional 6 months at the end of the 6 month term.
- If through no fault of mine, your payment account does not contain sufficient funds to complete the transaction, or your payment account or credit card does not otherwise permit the transaction to be executed, you will be charged a \$35

insufficient funds fee. I will contact you to update your account with a working payment method.

- The membership and services purchased under this membership are non-transferable to any other person or entity
- I reserves the right to change practice rules, regulations, and pricing at any time upon providing reasonable notice.
- You agree to follow the my practice rules and regulations. I have the right to refuse or discontinue service for any reason.

Here is an examples of how it works:

- Sign-up/First Payment on 6/12/20.
- First Automatic Payment charged on 7/12/20.
- Final Automatic Payment charged on 11/12/20.
- Membership benefits continue until 12/11/20(the expiration date).
- If you have any unused massages, you will have until 1/11/21 to use them. After that date, they will expire.

If you need to cancel your membership before the 6 month term ends:

To cancel this membership prior to the end of the 6 months contract, you must email me at least 10 days in advance. Once I have received and completed your request, the next scheduled monthly charge and all those that were to follow, will be canceled. Membership will be valid until, but not on, the date of the first canceled payment; **after that date, all member benefits, including unused accrued massages, will also be canceled.**

EXAMPLE:

- Sign-up/First Payment on 6/12/20.
- First Automatic Payment charged on 7/12/20.
- Membership cancellation is requested on 8/10/20 and processed on 8/20/20
- The automatic payment scheduled for 9/12/20 and all subsequent automatic payments will NOT be charged.
- Membership benefits continue until 9/11/20 (the expiration date)

If you want to take advantage of the membership plan, you can sign up through the MassageBook scheduling program by clicking either BookNow button and selecting the membership option. All payments and tracking of your membership will be through MassageBook.

If you have any questions about it, give me a call, email or text!
